

JARC EMERGENCY NET **NET CONTROL SCRIPT**

All Stations this frequency, this is _____, net control for this session of the Jackson Amateur Radio Club Emergency Net. My name is _____.

This net meets every Tuesday night at 9:00 P.M. local time on the KA5SBK repeater on 146.34/94 Mhz. There is a 100 Hertz tone on this repeater. The backup for this net is the 146.28/88 repeater, which has a 77 Hertz tone.

This is a Jackson Amateur Radio Club emergency preparedness net for traffic handling and training purposes. No membership is required and all licensed amateurs are encouraged to check-in to the net. Emergency or priority traffic will be handled first, followed by formal written traffic. Break-ins will be acknowledged by call sign only. Check-ins will be by the first letter of the suffix of your call.

Again, this is _____, net control, and my name is _____.

Is there any emergency or priority traffic? **[handle now, if possible]**

Is there any incoming formal written traffic for the net? **[handle now or later]**

Are there any announcements for the net? **[handle after check-ins]**

Is there any informal traffic to be listed for the net? **[handle after check-ins]**

Check-ins will now be accepted by the first letter of the suffix of your call, starting with stations whose suffix begins "A" Alpha through "E" Echo, please call now.

Stations whose suffix begins "F" Foxtrot through "J" Juliet, please call now.

Stations whose suffix begins "K" Kilo through "O" Oscar, please call now.

Stations whose suffix begins "P" Papa through "T" Tango, please call now.

Stations whose suffix begins "U" Uniform through "Z" Zulu, please call now.

Any other station whose suffix begins "A" Alpha through "Z" Zulu, please call now

[Handle listed traffic and announcements]

This is _____ with the JARC Emergency Net. Are there any comments for training?
[handle now]

Are there any late check-ins for the net?

Does anyone wish to reserve the net frequency?

This closes this session of the Jackson Amateur Radio Club Emergency net at _____ PM local time. The next session of this net will be next Tuesday night at 9:00 PM local time, or when needed for emergency purposes, when the net control station will be _____.

Thanks to all who participated in the net and a special thanks to John, KA5SBK, for the use of the repeater. This is _____ out.
